FOR PATIENTS (continued)

Introduction to mindfulness

Weekly on Thursdays for 6 weeks

Mindfulness means paying attention to what's happening in the present moment in the mind, body and external environment, with an attitude of curiosity and kindness.

This is found to lead to an expansion of choice and capacity in how to meet and respond to life's challenges, and therefore live with greater wellbeing, mental clarity and care for yourself and others.

This course is open to patients known to St Helena Hospice and provides an introduction to this practice.

Friendship group
